### MPC CHARACTER TRAIT FOR JULY – AUGUST 2018 IS ‘JUSTICE’

**Justice** is taking personal responsibility to uphold what is pure, right and true.

Individuals need to treat others fairly by showing respect and appreciating their individual worth. Joseph Joubert said, “**Justice** is truth in action”.

Dispensing **Justice** is dependent on fairness and doing that which is right. Doing **Justice** is one’s self means to perform worthily or to your capacity.

Since 2000, MPC has focused on Promoting CHARACTER in the CITY OF MANNINGHAM. A number of MANNINGHAM SCHOOLS have incorporated Character into their Curriculum, as displayed below at Doncaster East and Doncaster Secondary Schools. The traits include Resilience and Responsibility.

#### REMEMBER TO PUT CHARACTER INTO PRACTICE:

- Society tends to stress the negative.
- To emphasis the positive takes some effort and a mind change.
- Each of us knows and works with people who demonstrate positive Character Traits.
