THE MPC CHARACTER TRAIT FOR MARCH – APRIL IS ‘RESPECT’

Respect is often earned, not bought for a price, but one needs to show respect to gain it back. Just as the best way to get a friend is to be a friend.

Many people have either witnessed or been involved in a situation where a group will gang-up on someone and be disrespectful. Sometimes those who get involved in the ganging-up would not make the same choice if they were by themselves – they only show this lack of character when they are swept away by a negative group momentum.

Come and Celebrate your Community with us at this special event!
