THE MPC CHARACTER TRAIT FOR MARCH - APRIL IS 'LOYALTY'

Loyalty is being devoted or faithful to a cause, country, group or person. Other virtues such as righteousness, courage, benevolence, respect, sincerity and honour are often combined with loyalty. You will all know of someone who always does the best they can for others.

On Australia Day, Brother Sean Keefe was awarded an OAM and the Women's Friendship Group was awarded the Manningham Australia Day Perpetual Trophy. The character trait of Loyalty is evident in both Sean and in the Women's Friendship Group.

Brother Sean Keefe OAM

Sean has served the wider community with a selfless attitude. His humanity in action includes fund raising, providing education and training and in managing a variety of community projects. His goal is to benefit disadvantaged people so that they can be empowered to achieve their life goals and feel respected. Congratulations to Sean!

The Women's Friendship Group has provided an avenue of friendship for isolated immigrants and refugees representing thirty-three multicultural groups from diverse backgrounds. While providing friendship they fundraise for projects in the Manningham area and for the Kanthi Village in Kenya.

The Women's Friendship Group

Bill & Helen Larkin 'Fair Go Good Sport Day':

To pay tribute to two great Manningham residents for their enormous contribution to the community the Larkin family granted permission to include their parent's Bill and Helen in the name of MPC's Good Sport Day. This event for Primary School students is held at the Veneto Club in Bulleen in September.
