

THE MPC CHARACTER TRAIT FOR MARCH - APRIL IS “DEPENDABILITY”

DEPENDABILITY

When we arrive on time, we are valuing others and, ourselves as a person of integrity and worth. If we are late, then we are not valuing others, or ourselves.

One of the most important Character Traits to have is **Dependability**. If you can be depended on, you will be trusted, and known as a reliable and responsible citizen of your community. Some examples of **Dependability** are:

- Fulfilling what you consented to do, even if it means unexpected sacrifice.

- Not promising more than you can deliver, but delivering more than you have promised

Do you arrive on time?
