

MPC CHARACTER TRAIT FOR MAY – JUNE 2018 IS ‘RESPECT’

Many people have either witnessed or been involved in a situation where a group will gang-up on someone and is disrespectful. Sometimes those who get involved in the ganging-up would not make the same choice if they were by themselves – they only show the lack of character when they are swept away by a negative group momentum.

Keep in mind that the best way to earn **respect** is to show **respect** – just as the best way to get a friend is to be a friend.

Friends respect each other

REMEMBER TO PUT CHARACTER INTO PRACTICE:

- Society tends to stress the negative.
- To emphasis the positive takes some effort and a mind change.
- Each of us knows and works with people who demonstrate positive Character Traits.

MPC VISION STATEMENT:

The vision for Manningham in promoting good character is to create a safer, more caring, and more co-operative community for all people in all activities.

MPC MISSION STATEMENT:

MPC’s mission is to implement a plan that promotes and recognizes good character by reaching people from every sector of the community through active participation and involvement.

MPC members and supporters agree that good character qualities are essential for a vibrant and safe community and should continue to be promoted and recognized by the community.
