

## **CHARACTER TRAIT FOR SEPTEMBER - OCTOBER**

The Manningham Promoting Character focus for September - October is **Virtue**.

Become a shining example of good character. A small flame can cast light across a large area. Likewise, one person's daily decisions affect that person and can impact on others to a greater extent.

Though each person has a legal obligation to avoid hurting others, individuals also have a moral duty to help others. Virtue fulfills these responsibilities by making a personal commitment to moral excellence and applying this commitment to every aspect of daily life. Thus, virtuous people measure their actions by what they believe is right, not by what they could get away with or what others may think.

**The Business Breakfast** held on Friday July 30, 2010 was a great success with Glenn James and in excess of 60 attendees. We were delighted to hear that a local school will be adopting the character traits by getting students to develop their own posters and we will share some of them with you. Maybe others would like to participate!

**Good Sports Day will be held on Wednesday September 15<sup>th</sup> at the Veneto Club Sports Centre.** We are hoping that many Manningham Primary Schools will participate. Make sure that the schools you may be involved with join in this great event.

**The MPC Annual General Meeting** will be held on Wednesday October 20<sup>th</sup> at 12.30pm in the Council Chambers. Come along and support your friendly MPC Committee – we need you to help us promote character in innovative ways.

Please don't forget to copy and display the accompanying poster within your organization to encourage colleagues to join in and, to think about how much we can all show **Virtue** in what we do at home, at work and in our community.
