

CHARACTER TRAIT FOR NOVEMBER – DECEMBER 2010

The Manningham Promoting Character focus for November - December is **Forgiveness**.

- Forgiveness allows you to grow from your past experiences instead of becoming imprisoned by them.
- Guard against the attitude that someone you have forgiven still owes you something.
- Sooner or later, those close to you will offend you. Forgiving hurtful words or actions allows you to appreciate others' strong points and build positive relationships instead of becoming distracted and discouraged by someone else's faults.
- Carefully consider your words before speaking so that you can communicate graciously and calmly.

We are all wronged and offended at some point. The true test of forgiveness lies in how we rise above wrongs and continue living.
