

**MPC CHARACTER TRAIT FOR
SEPTEMBER – OCTOBER IS
RESPECT**

Many people have either witnessed or been involved in a situation where a group will gang-up on someone and is disrespectful. Sometimes those who get involved in the ganging-up would not make the same choice if they were by themselves – they only show this lack of character when they are swept away by a negative group momentum.

Keep in mind that the best way to earn respect is to show respect – just as the best way to get a friend is to be a friend.

Friends, respect each other
